Who We Are ?

Bevil is the division of our group dedicated to private-label brands for the retail sector. For over 20 years, we have been developing and marketing cleaning and maintenance solutions tailored to both domestic and professional use. Our products are available in leading retail chains such as Leroy Merlin, Castorama, Intermarché, and Amazon, and have earned a strong reputation for their proven effectiveness and consistent quality.

Our Commitment:

- **Innovation:** unique, practical concepts such as Antisplash foaming powder.
- **Eco-responsibility:** natural, sustainable formulas like Epur, made with enzymes and Ecocert-certified.
- **Accessible performance:** powerful products designed to make daily cleaning easier, whether at home or in demanding professional environments.

Innovative & Responsible Cleaning Solutions

Bevil develops & distributes strong, trusted brands designed to meet everyone's needs.

Our Vision & Mission

Our vision: to establish our brands across European retail as a benchmark for performance and environmental responsibility.

Our mission: to offer innovative, effective, and accessible products, so that everyone can maintain their living environment easily and safely.

Our Certifications

We adhere to the strictest standards to ensure the safety, quality, and eco-responsibility of our products.

Why Choose Bevil?
